- Item 1A. Risk Factors.
- Item 2. Properties.

Item 1B. Unresolved Staff Comments.

Item 3. Legal Proceedings.

On February 22, 2016, a lawsuit was filed in the U.S. District Court for the Southern District of Florida on behalf of a putative class of Duke Energy Florida, LLC's (Duke Energy Florida) and Florida Power & Light Company's (FP&L) customers in Florida. The suit alleges the State of Florida's nuclear power plant cost recovery statutes (NCRS) are unconstitutional and pre-empted by federal law. Plaintiffs claim they are entitled to repayment of all money paid by customers of Duke Energy Florida and FP&L as a result of the NCRS, as well as an injunction against any future charges under those statutes. The constitutionality of the NCRS has been challenged unsuccessfully in a number of prior cases on alternative grounds. Duke Energy Florida and FP&L filed motions to dismiss the complaint on May 5, 2016. On September 21, 2016, the Court granted the motions to dismiss with prejudice. Plaintiffs filed a motion for reconsideration, which was denied. On January 4, 2017, plaintiffs filed a notice of appeal. Duke Energy Florida cannot predict the outcome of this appeal. Even if all of the plaintiffs' requests for relief in this lawsuit are granted, there would be no impact on nuclear asset-recovery charges imposed by Duke Energy Florida or on the Series A Senior Secured Bonds (Bonds).

ASSESSMENT OF COMPLIANCE WITH
APPLICABLE SERVICING CRITERIA

Management of The Bank of New York Mellon (formerly The Bank of New York), BNY Mellon Trust of Delaware (formerly BNYM (Delaware)) and The Bank of New York Mellon Trust Company, N.A. (formerly The Bank of New York Trust Company, N.A.), (collectively, the “Company”) is responsible for assessing the servicing criteria set forth in Item 1122(d) of Regulation AB promulgated by the Securities and Exchange Commission. Management has determined that the servicing criteria are applicable in regard to the servicing platform as of and for the period as follows:

Platform: Publicly-issued (i.e., transaction-level reporting initially required under the Securities Exchange Act of 1934, as amended) asset-backed securities issued on or after January 1, 2006 and like-kind transactions issued prior to January 1, 2006 that are subject to Regulation AB (including transactions subject to Regulation AB by contractual obligation) for which the Company provides trustee, securities administration, paying agent or custodial services, as defined and to the extent applicable in the transaction agreements, other than residential mortgage-backed securities and other mortgage-related asset-backed securities (the “Platform”).

Period: As of and for the twelve months ended December 31, 2016 (the “Period”).

Applicable Servicing Criteria: All servicing criteria set forth in Item 1122(d), to the extent required by the related transaction agreements as to any transaction, except as set forth in the column titled “Not Applicable To Platform” in Appendix 1 attached hereto.

With respect to servicing criterion 1122(d)(2)(vi) management has engaged a vendor to perform the activities required by the servicing criterion. The Company’s management has determined that this vendor is not considered a “servicer” as defined in Item 1101(j) of Regulation AB, and the Company’s management has elected to take responsibility for assessing compliance with the servicing criterion applicable to this vendor as permitted by the SEC’s *Compliance and Disclosure Interpretation 200.06, Vendors Engaged by Servicers* (C&DI 200.06). The Company’s management has policies and procedures in place designed to provide reasonable assurance that the vendor’s activities comply in all material respects with the servicing criterion applicable to the vendor. The Company’s management is solely responsible for determining that it meets the SEC requirements to apply C&DI 200.06 for the vendor and related criterion.

With respect to the Platform as of and for the Period, the Company provides the following assessment of compliance in respect of the Applicable Servicing Criteria:

1. The Company’s management is responsible for assessing its compliance with the Applicable Servicing Criteria.

2. The Company's management has assessed compliance with the Applicable Servicing Criteria including the servicing criterion for which compliance is determined based on C&DI 200.06 as described above. In making this assessment, management used the criteria set forth by the Securities and Exchange Commission in paragraph (d) of Item 1122 of Regulation AB.

3. With respect to Applicable Servicing Criteria 1122(d)(4)(iii), there were no activities performed during the Period with respect to the Platform, because there were no occurrences of events that would require the Company to perform such activities.

4. Based on such assessment, as of and for the Period, the Company has complied, in all material respects, with the Applicable Servicing Criteria.

KPMG LLP, an independent registered public accounting firm, has issued an attestation report with respect to Management's Assessment of Compliance with the Applicable Servicing Criteria as of and for the Period.

Management is responsible for the Company's compliance with the servicing criteria. Our responsibility is to express an opinion on management's assertion about the Company's compliance with the servicing criteria based on our examination.

Our examination was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States), and, accordingly, included examining, on a test basis, evidence about the Company's compliance with the applicable servicing criteria, including tests on a sample basis of the servicing activities related to the Platform, determining whether the Company performed those selected activities in compliance with the servicing criteria during the specified period, and performing such other procedures as we considered necessary in the circumstances. Our procedures were limited to selected servicing activities performed by the Company during the period covered by this report and, accordingly, such samples may not have included servicing activities related to each asset-backed transaction included in the Platform. Further, an examination is not designed to detect noncompliance arising from errors that may have occurred prior to the period specified above that may have affected the balances or amounts calculated or reported by the Company during the period covered by this report. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Company's compliance with the servicing criteria.

In our opinion, management's assertion that the Company complied with the aforementioned applicable servicing criteria as of December 31, 2016 and for the period June 22, 2016 through December 31, 2016 for the Platform is fairly stated, in all material respects.

Report of Independent Registered Public Accounting Firm

The Board of Directors
The Bank of New York Mellon
BNY Mellon Trust of Delaware
The Bank of New York Mellon Trust Company, N.A.:

We have examined management's assessment, included in the accompanying Management's Assessment of Compliance with Applicable Servicing Criteria, that The Bank of New York Mellon (formerly The Bank of New York), BNY Mellon Trust of Delaware (formerly BNYM (Delaware)) and The Bank of New York Mellon Trust Company, N.A. (formerly The Bank of New York Trust, Company, N.A.), (collectively, the "Company") complied with the servicing criteria set forth in Item 1122(d) of the Securities and Exchange Commission's Regulation AB for the publicly-issued (i.e., transaction-level reporting initially required under the Securities and Exchange Act of 1934, as amended) asset-backed securities issued on or after January 1, 2006 and like-kind transactions issued prior to January 1, 2006 that are subject to Regulation AB (including transactions subject to Regulation AB by contractual obligation) for which the Company provides trustee, securities administration, paying agent, or custodial services, as defined and to the extent applicable in the transaction agreements, other than residential mortgage-backed securities and other mortgage-related asset-backed securities (the "Platform"), except for servicing criteria 1122(d)(1)(iii), 1122(d)(1)(iv), 1122(d)(1)(v), 1122(d)(2)(iii), 1122(d)(4)(vi), 1122(d)(4)(vii), 1122(d)(4)(viii), 1122(d)(4)(x), 1122(d)(4)(xi), 1122(d)(4)(xii), 1122(d)(4)(xiii) and 1122(d)(4)(xiv), which the Company has determined are not applicable to the activities it performs with respect to the Platform, as of and for the twelve months ended December 31, 2016. With respect to applicable servicing criterion 1122(d)(4)(iii), the Company has determined that there were no activities performed during the twelve months ended December 31, 2016 with respect to the Platform, because there were no occurrences of events that would require the Company to perform such activities. Management is responsible for the Company's compliance with the servicing criteria. Our responsibility is to express an opinion on management's assessment about the Company's compliance based on our examination.

Our examination was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence about the Company's compliance with the servicing criteria specified above and performing such other procedures as we considered necessary in the circumstances. Our examination included testing selected asset-backed transactions and securities that comprise the Platform, testing selected servicing activities related to the Platform, and determining whether the Company processed those selected transactions and performed those selected activities in compliance with the servicing criteria. Furthermore, our procedures were limited to the selected transactions and servicing activities performed by the Company during the period covered by this report. Our procedures were not designed to determine whether errors may have occurred either prior to or subsequent to our tests that may have affected the balances or amounts calculated or reported by the Company during the period covered by this report for the selected transactions or any other transactions. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Company's compliance with the servicing criteria.

As described in the accompanying Management's Assessment of Compliance with Applicable Servicing Criteria, for servicing criterion 1122(d)(2)(vi), the Company has engaged a vendor to perform the activities required by this servicing criterion. The Company has determined that this vendor is not considered a "servicer" as defined in Item 1101(j) of Regulation AB, and the Company has elected to take responsibility for assessing compliance with the servicing criterion applicable to this vendor as permitted by the SEC's *Compliance and Disclosure Interpretation ("C&DI") 200.06, Vendors Engaged by Servicers* (C&DI 200.06). As permitted by C&DI 200.06, the Company has asserted that it has policies and procedures in place designed to provide reasonable assurance that the vendor's activities comply in all material respects with the servicing criterion applicable to the vendor. The Company is solely responsible for determining that it meets the SEC requirements to apply

C&DI 200.06 for the vendor and related criterion as described in its assessment, and we performed no procedures with respect to the Company's eligibility to apply C&DI 200.06

In our opinion, management's assessment that the Company complied with the aforementioned servicing criteria, including servicing criterion 1122(d)(2)(vi) for which compliance is determined based on C&DI 200.06 as described above as of and for the twelve months ended December 31, 2016 is fairly stated, in all material respects.
