Don't let the many choices and unfamiliar terms overwhelm you. A Piedmont Natural Gas representative is on hand to help evaluate your energy needs, answer questions and walk you through each step from purchase to installation.

If we are ever unable to provide you with a product, installation or service, one of our Gas Advantage Partners can help assist you.

We **SELL** and **INSTALL** outdoor appliances, such as natural gas grills, lights, logs and more, allowing you to enjoy your backyard all year long.
